

Dear friends, fellow travelers, improvisators of art, dance and life, beautiful creatures of CI Crete 2014,

THANK YOU!

Thank you all for coming and sharing!

It was great to have participations from various parts of Greece, as well as from many parts around the planet; US, Australia, Colombia, Russia, Italy, Netherlands, Denmark, Norway, Israel, Germany, France, Spain, Bulgaria and others.

It was an honor to have in our team such important artists of the CI community as Nita Little - US, Charlotte Zerbey - US/IT, Kostas Gerardos - GR, Tal Shibi - IL, Daniel Bear Davis - US, David Lakein - US/DE, Marielle Kleyn Winkel - NL and Georgia Petrali - GR.

And of course, once again this year, we thank the people and the organizations that believe in us and support us practically in this artistic project:

We are looking forward to see you again next fall, to move and to be moved in the energy and the magic of Crete.

Till then...

Sun in our hearts and peace in our beautiful planet!
